## Important Notes

- Our first field trip is Sept. 26<sup>th</sup>. Paperwork will be coming home Sept. 4<sup>th</sup> and due Sept. 14<sup>th</sup>. All chaperones must have a district approved volunteer form on file and have been checked into the front office volunteer system.
- Student practice notebooks are a resource for you to use as additional (optional) practice prior to a chapter test. See math weekly snapshot to see what skills to practice out of this book. Please wait until your child completes the entire chapter to turn in for a treat.
- Make sure to fill out the volunteer form on the district website if you plan on volunteering/attending school functions. Volunteer orientation is September 13<sup>th</sup> for those who would like to help in the classroom. Please note that it is taking up to 2 weeks for the volunteer applications to process. Once your application is approved see the front office as soon as possible to get into the school check in system.
  - Homework is sent home each Friday and due the following Friday.
